

Name: _____

JOSHUA QUIZ

PART ONE : Put the events from the book of Joshua in chronological order (1-15).

- ____ A man named Achan took things from the city of Jericho and hid them in his tent
- ____ God chose Joshua to lead the Israelites into the Promised Land
- ____ The spies agreed to save Rahab if she left the scarlet cord in the window
- ____ God helped the Israelites and Gibeonites defeat five kings by sending down hailstones and keeping the sun in its place
- ____ The Israelites crossed the Jordan River following the priests with the Ark of the Covenant
- ____ Joshua sent two spies into the land to gather information on the cities, especially Jericho
- ____ The Israelites set up 12 stones as a memorial to commemorate God's miracle
- ____ Land was divided amongst the 12 tribes of Israel
- ____ A commander of the Lord's army came to give Joshua instructions on how to attack Jericho
- ____ The Israelites marched around the walls of Jericho for 6 days. On day seven they shouted and the walls fell down
- ____ The Israelites lost their first battle against Ai
- ____ The Gibeonites tricked Israelites into becoming allies
- ____ After punishing Achan the Israelites went up against Ai again and won
- ____ The spies stayed with a sinful woman named Rahab in the city of Jericho. When guards came, Rahab hid the spies on her roof and sent the guards outside the city gate, which locked them out
- ____ Joshua encouraged the people to remain faithful, sent them off to their assigned lands, and died at 110 years old
